

**Content Preparation Update Worksheet  
Early Childhood Teacher Preparation Program**

**Applicant Name:** \_\_\_\_\_

**Date:** \_\_\_\_\_

At the time of your admission into the program, you were asked to complete an “Admission Content Preparation Review Worksheet”, to help evaluate the extent to which your content preparation fulfilled both New York State certification requirements and relevant professional organization standards and, when needed, to let you know what additional coursework and/or other experiences would need to be completed by graduation. As you are now at the end of your program, we would like you to use this “Update” worksheet to document that you have completed all the additional experiences agreed upon at the time of admissions (if any), and also to identify other learning opportunities you had throughout your program to deepen your proficiency in specific content preparation standards. This will give the reviewer a complete picture of your content preparation at completion of your teacher preparation program.
