

Recommended Classes for Non-Matriculated Students: Summer 2021

All classes will be offered online.

Students are often interested in trying courses to get a taste of our programs. We recommend the following classes for non-matriculated students to get an introduction to the academic content in any of the specialization areas noted below. Non-matriculated summer registration opens on April 12.

Summer classes are scheduled in two sessions. Session A (May 24 – July 2) and Session B (July 6 – August 13).
