

Recommended Classes for Non-matriculated Students: Summer 2018

Students are often interested in trying courses to get a taste of our master's programs. We recommend the following classes for non-matriculated students to get an introduction to the academic content in any of the specialization areas noted below. Non-matriculated summer registration opens on April 19.

Summer classes are scheduled in two sessions. Session A (May 21 – June 29) – and Session B (July 2 – August 10).
