summerLEAP Program Results:

• Number of students served – 345 in 2011, 423 in 2012, 575 in 2013, outlook 730 in 2014 and 1000 by 2016
• Students gain 1 to 3 months reading and math skills each summer
• Over 90% of program alumni graduate from high school
• Over 75 % of program alumni go on to higher education
• Over 90% daily attendance rate
• Over 85% year to year return rate
• High student, parent and teacher satisfaction rate
summerLEAP Program Characteristics:

• In-coming students are below grade level from low-income homes – at risk to summer learning loss
• Start early – return year over year
• Engage the whole child: academics, wellness, athletics, field trips, community, family, experiential learning, play, fun
• Focus on reading and STEM (science, technology, engineering, math)
• Five to one student to teacher ratio with many additional adult volunteers
• Over 180 hours of instruction – two to six weeks
