6. **WORKSHOP ON RECOGNIZING SIGNS OF CHILD ABUSE**

You cannot take this workshop online if you want the Warner School to recommend you to New York State for certification.

If possible, you should complete this workshop at the Warner School during your first fall semester of study.

All students applying for certification in the State of New York must complete a two-to-three hour workshop dealing with recognizing the signs of child abuse and preventing child abuse. The workshop is offered by the Warner School once every Fall semester. **In the Fall 2015 semester, the workshop is offered on Friday, October 23, from 3:45pm to 6:30pm, in LeChase Hall 215 (Genrich-Rusling Room).** The workshop is free of charge for all Warner students, although registration through the Warner School is required. Registration information will be e-mailed to students in mid-September. **Again, online workshops will not fulfill this requirement.**

If you will be recommended for certification by the University of Rochester, you must submit proof of completion of the workshop (along with other required certification forms and materials) at the conclusion of your degree and/or certification program when you apply for certification, **not at the conclusion of the workshop.**
7. **WORKSHOP ON SCHOOL VIOLENCE PREVENTION & INTERVENTION (SAVE)**

You may not take this workshop *online* if you want the Warner School to recommend you to New York State for certification.

If possible, you should complete this workshop at the Warner School during your first spring semester of study.

All students applying for certification in the State of New York must complete a two–to–three hour workshop on school violence prevention and intervention. The workshop is offered by the Warner School once every Spring Semester. In the Spring 2016 semester, it is offered on Friday, March 4, from 3:45pm to 6:30pm, in LeChase Hall 215 (Genrich-Rusling Room). It is free of charge for all Warner students, although registration through the Warner School is required. Registration information will be e-mailed to students in late January. Again, online workshops will not fulfill this requirement.

If you will be recommended for certification by the University of Rochester, you must submit proof of completion of the workshop (along with other required certification forms and materials) at the conclusion of your degree and/or certification program when you apply for certification, **not at the conclusion of the workshop**.

9. **FOREIGN LANGUAGE REQUIREMENT**

If you will be recommended for teacher certification by the University of Rochester, you must have completed one college-level course in a foreign language, or the equivalent. Completion of a college-level course in American Sign Language is also acceptable.

If you have not completed the foreign language requirement before matriculating into a Warner School degree program, you may take a college-level foreign language course at the University of Rochester [or at any other institution] while completing program requirements or after completing program requirements. If you take this course at an institution other than the University of Rochester, an official transcript of the coursework must be submitted to me, along with other required materials at the conclusion of your degree and/or certification program.

10. **FINGERPRINT-SUPPORTED BACKGROUND CHECK**

New York State requires a fingerprint-supported background check for certification applicants in teaching, counseling, and administration. The State Department of Education encourages all students to be fingerprinted early in their programs (i.e., in the first semester if possible) in order to expedite the clearance process. If you have already completed the fingerprinting process, you do not need to repeat it. If you are not certain that your fingerprints are on file with New York State, please contact OSPRA at 518.473.2998 (Monday-Friday, 9am-4pm) or at ospra@mail.nysed.gov.

The New York State Education Department (NYSED) has eliminated use of the Livescan fingerprinting systems and the “ink and roll” card submission process. NYSED has joined the Statewide Vendor Managed System operated by **MorphoTrust**.

**Applying for Fingerprinting and Scheduling a Fingerprint Scanning Appointment**

- Contact **MorphoTrust** by going to their website (www-indentogo.com) and clicking on New York State on the map—or by calling (877) 472.6915.

- You can complete an online application and schedule a fingerprinting scanning appointment online, or you can speak with a **MorphoTrust** representative on the telephone to complete both the application and appointment processes.

- The **ORI “Number”** for NYSED is **TEACH**. In other words, NYSED uses a **code** rather than a **number**.
Paying for Fingerprinting

- The total fee for fingerprinting as of 2/2/2016 is $102.00.

- If you want to pay by **credit card**, the fee must be paid in advance of your fingerprint scanning appointment either through an online application **OR** by using the telephone to complete an application.

- If you want to pay with **cash OR check** (i.e., personal check, certified check, bank check, or money order—made out to **MorphoTrust U.S.A.**), your cash or check must be brought to the fingerprint scanning appointment. **Credit cards cannot be used at the actual fingerprinting scanning appointment.**

ID Information Required at the Fingerprint Scanning Appointment

- Two forms of identification must be brought to the scanning appointment. **At least one form of identification must contain a photo.**

**Acceptable ID Documents WITH PHOTOS**

1. U.S. passport (unexpired or expired)
2. Unexpired foreign passport
3. U.S. driver’s license
4. U.S. student ID card with photo
5. Photo ID card issued by federal, state, or local government
6. Permanent resident card

**Acceptable ID Documents WITHOUT PHOTOS**

1. Voter registration card
2. U.S. military card
3. Military dependent’s ID card
4. Native American tribal document
5. Canadian driver’s license
6. U.S. social security card
7. Original or certified copy of a birth certificate (with official seal) issued by authorized U.S. agency

**MorphoTrust Scanning Enrollment Center Locations**

- A list of currently available Fingerprint Scanning Enrollment Center locations in New York State can be found at www.identogo.com. Select “NY” and then click on “Locations” to view the listing, or click on New York State on the map.
- **MorphoTrust** does not publish the business names (i.e., street addresses) where Scanning Enrollment Centers are located. This prevents applicants from walking in without an appointment. Specific address information will be supplied upon completion of the registration process.

**Transmitting Fingerprint Information to TEACH/Viewing Fingerprint Information on TEACH**

- Information provided to **MorphoTrust** during the fingerprint application process is electronically transmitted to the TEACH system.

- Applicants that have an account in TEACH can view information about the status of their fingerprint application in TEACH.

- K-12 Schools can view messages in TEACH that provide status information related to the progress of a fingerprint application. The status messages are anticipated to be updated daily.

11. **UNITED STATES CITIZENSHIP AND CERTIFICATION**

United States citizenship is not required for initial or provisional certification. However, for permanent or professional certification you must be a lawfully admitted permanent resident of the United States. If you are not a U.S. citizen but have permanent residence status and are applying for permanent or professional certification, you must provide one of the following forms of proof of lawful residency:

- A photocopy of your permanent residency card (“Green Card”), or
- A photocopy of your passport stamped with “Processed for I-551 Temporary Evidence of Lawful Admission for Permanent Residence,” or
- A certified and sealed copy of a letter from the Bureau of Citizenship and Immigration Services (formerly the INS) verifying permanent residency
12. **LENGTH OF TIME FOR ISSUANCE OF CERTIFICATES/PAPER CERTIFICATES/MAILING OF CERTIFICATES**

Please remember that the University of Rochester will recommend you for NYS certification only if you have followed instructions in the document *Instructions for University of Rochester TEACH Online Application and Recommendation of New York State Certification (see second paragraph on page 1 of this memo)*.

For **Initial** (with the exception of the Initial SBL) and **Provisional** certification applicants, the TEACH online system does an automated evaluation of your TEACH application when your fee is entered into the system. When all requirements are literally “checked off” and you have been recommended for certification by the University of Rochester, the application is reviewed by a certification specialist and your Initial or Provisional certificate is issued very quickly—usually within one week.

For **Professional, Permanent, and SBL Initial** certification applicants, a certification specialist will evaluate the work experience you have entered on TEACH and will then confirm that work experience. Therefore, the time period for evaluation of these certificates will take several weeks or longer, depending on the current number of certifications waiting for processing by the State Education Department.

**Paper certificates** are not printed for time-limited certificates such as Initial and Provisional. TEACH should be used to verify the status of your certification. School Districts also should verify your certificate by using TEACH. **However, you can request a paper copy of your certificate from your TEACH homepage: click on the link “I would like a printed certificate”; pay the fee with a credit card; and your certificate will be mailed to your home address within 6-7 weeks.**

Please remember that **professional** and **permanent** certificates will not be forwarded to an address other than the address you enter into TEACH. If your address changes between the time you enter it into TEACH and the time your certificate is mailed by the State, you must remember to change your address in TEACH. **Regardless of your forwarding instructions to the U.S. Postal Service, your certificate will be returned to the State Education Department. You must then request a replacement certificate, which will take a minimum of two to six weeks for issue and delivery.**
13. **CERTIFICATION IN OTHER STATES**

For exact requirements in states other than New York, you should check the website of the Department of Education of the state in which you plan to be a teacher, counselor, or administrator.

14. **MAINTAINING YOUR CERTIFICATE: PROFESSIONAL CERTIFICATE HOLDERS — TEACHERS AND ADMINISTRATORS**

The Professional Development requirement becomes effective on the July 1st after the Professional certificate is issued. Professional Development hours completed prior to the effective date will not count toward the Professional Development hour requirement.
