

## Warner School First-Year Graduate Survey Results

### AAQEP K12 Leadership Program

In April 2021, the Warner School conducted a First-Year Graduate Survey of individuals who had completed its K-12 school building and school district leadership programs between August 2019 and May 2020 in an effort to obtain feedback from those who were roughly one year post-graduation. Graduates of these programs were asked to share their perceptions, including how well their program prepared them to work in the field based on the AAQEP standards. The survey was administered electronically via Survey Monkey to the population of program completers (N=45). Eleven graduates completed the survey, resulting in a response rate of 24.44%.

## Warner School Alumni Survey Results

### AAQEP K12 Leadership Program

In April 2021, the Warner School conducted an Alumni Survey of individuals who had completed its K-12 school building and school district leadership programs between August 2016 and May 2018 in an effort to obtain feedback from those who were roughly three to four years post-graduation. Graduates of these programs were asked to share their perceptions, including how well their program prepared them to work in the field based on the AAQEP standards. The survey was administered electronically via Survey Monkey to the population of program completers (N=71). Twenty-two graduates completed the survey, resulting in a response rate of 30.99%.

## Warner School Employer Survey Results AAQEP K12 Leadership Program

In June 2021, the Warner School conducted a survey of individuals who employ graduates from our K-12 school building and school district leadership programs. The survey was administered electronically via Survey Monkey to the population of individuals who we identified through our completer exit survey, graduate surveys, and/or graduates' correspondence with advisors as employing one or more of our graduates (N=79). Fifteen employers completed the survey, resulting in a response rate of 18.99%.

Relative to other employees you supervise, how do Warner School graduates perform as educators?	
Better than others	46.15%
Somewhat better than others	7.69%
About the same as others	46.15%
Somewhat worse than others	0.00%
Worse than others	0.00%

Overall, based on what you know about the preparedness of our graduates, how likely are you to hire a graduate from a leadership preparation program at the Warner School of Education in the future?	
Very likely	61.54%
Somewhat likely	15.38%
Neutral-neither likely or unlikely	23.08%
Somewhat unlikely	0%
Very unlikely	0%
