

## Confirmation of Dissertation Proposal Defense

In accordance with federal guidelines, the University has established a system of ethical review boards (RSRB) to review all dissertation projects. Prior to submitting an RSRB application, the student's advisor must first attest to the student's successful defense of their dissertation proposal and review the student's RSRB Protocol to be sure it aligns with the proposal. All student projects require a Faculty Advisor.

---

**To be completed by Doctoral Candidate/Student:**

**Candidate Name:**

**Faculty Advisor's Name:**

**Dissertation Proposal Title:**

**CITI Social-Behavioral-Educational Research - Record ID #:**

**Expiration Date:**

---
